Exclusions: What's not included in the health plan

Our International Health Plans are designed to cover treatment of medical conditions that respond quickly to treatment – known as acute conditions. Here are a number of the key exclusions and limitations of the Comprehensive plan:

- Pre-existing medical conditions; options to include these are available for company schemes of five or more
- Routine dentist check-ups (available as an add-on to Comprehensive plans)
- Routine pregnancy and childbirth for Comprehensive plans (unless the routine pregnancy add-on is purchased)
- Preventative treatment
- Treatment costs incurred as a result of engaging in, or training for, any sport for which you receive a salary or monetary reimbursement.

Full details of what members are and are not covered for are provided in the membership handbook, or are available on request.
